Shipping & Handling Charges

Shipping charges apply to all products purchased. To find the shipping charges for a particular item, please call 800-620-7811 or go to our website (www.onedigitalscales.com) and type in the ship to zip code in the blue "shipping calculator" box located at the top of each product page - this will give you your shipping price.

If you are purchasing more than one of the same item, each consecutive item will have a shipping charge that's 50% of the original shipping charge. For example if you purchase one item and the shipping charge is \$10.00, then each additional item purchased will have a \$5.00 shipping charge (50% of the first charge). This is a general rule and does not apply to all items.

Other Notes:
