### ■ **RUGGED**

Durable platform design withstands forklift traffic. 300% overload capacity, 150% end-load capacity. Sum capacity of load cells is twice scale capacity.

### ■ **ALL PURPOSE**

Easy to install. Levels with lugs (no shimming). Easy to relocate. Install above or below ground. Built in carbon or stainless steel. Full line of accessories available.

### ■ **HIGHEST QUALITY**

Uses shear beam load cells; NTEP or commercial grade. All understructure bracing is structural steel channel iron. ABS-NEMA 4X summing card enclosure.

This floor scale is the premier product of Indiana Scale Co., Inc. It is the result of a combined 75 years' experience in the manufacture of industrial scales.
